*Most Men Don't Cheat. Do You?*

*Don't take chances. The HIV virus that causes AIDS can be a killer.*

*If you already have the virus, treatment will keep you healthy. If you don't have it, you can make sure you don't get it.*

*Call today for a blood test. It's free. They won't even ask your name.*

*Take care of yourself. Take care of your family.*

**GET TESTED.**
