True Love.

If you care for each other, protect each other. Use a latex condom every time.

It's not 100% protection against AIDS—only doing without sex and IV drugs entirely does that—but it cuts your risk considerably. For more information, call the AIDS hotline in Northern California at 1-800-367-2437, or in Southern California at 1-800-922-2437.
