IN A COMMUNITY AS DIVERSE AS OURS, NO MATTER WHAT YOU'RE INTO...

"When I find myself in a tight spot,
I slip into one of these."

"Right after I file my briefs on a risky
case, I slip into this."

"Everytime I dive into unsure
waters, I get into this first."

"A girl just can't be too carefull
these days."

GET INTO THIS FIRST.

Only Latex condoms used with water-based nonoxyl-9
lubricants can help reduce the risk of getting AIDS from
oral and anal sex.

BE WELL EQUIPPED.

The Northwest AIDS Foundation
