**You only have to  
be human.**

**I**t's funny how democratic a disease can be. It can come from any place and affect hundreds, then thousands of people unexpectedly in a short time. Women and youth are increasingly at risk for HIV. Every community needs to find its solutions. Every person needs to understand and we all need to talk about it.

*Abstinence remains an option*

This message was created as part of the Alberta HIV/AIDS prevention campaigns for young adults.  
For more information on the campaigns, call the Alberta AIDS Program at 403-427-0836.

Funded under the National AIDS Strategy, Health Canada, in partnership with Alberta Health and the Canadian Public Health Association.
