Taking care safely is good care

Wash your hands at
least 15 seconds
in warm soapy water.

Keep the kitchen
and bathroom clean.

Wear gloves when
you clean up blood spills.

Compassionate care
includes lots of contact.

Caring safely for people with HIV or AIDS

Soigner avec prudence, c'est bien soigner

Lavez-vous les mains pendant
au moins quinze secondes à l'eau
chaude et savonneuse.

Cuisine et salle
de bains doivent être gardées
propres.

Portez des gants lorsque vous
nettoyez du sang.

Toucher une personne, c'est la
soigner avec compassion.
