An AIDS & Victorian AIDS Council / Tony Blair's Health Centre project produced with a grant from
The Commonwealth Department of Health, Housing & Community Services.

When I told my Mum I was gay she blamed herself.

Now she wants to take
all the credit.

Mum once said she couldn't accept a gay son, but now she's changed her mind. It wasn't easy at first but in time she understood. I was the same person she knew and loved. She also liked the guys I met through a gay group. If you're looking for friends who'll accept you being gay or bisexual, call a support group for young guys.

All groups are free, confidential & will give you all the latest info on safe sex.
Open to guys 26 years & under.
