THE NEW
MEAT
BEVERAGE

OXO

The
New Meat Beverage,

possesses unique recommendations for purity and strength. It is not manufactured, like kindred preparations, from materials purchased from all and sundry factories all over the world, but it is prepared solely by Liebig's Extract of Meat Company, Ltd., the Originators of Concentrated Meat Beverages, and the largest Breeders and Owners of Selected Cattle in the world.

Oxo is a potent meat beverage, produced at a Lower Price than any article of equal analytical merit.

OXO

makes healthy men and women.

OXO

overpowers fatigue.
