FRY'S PURE CONCENTRATED COCOA

HOORAY!

IT'S FRY'S

FRY'S MILK CHOCOLATE

BY APPOINTMENT.

MAKERS TO HIS MAJESTY THE KING.

FRY'S MALTED COCOA

SPECIALLY INTRODUCED AT THE REQUEST OF THE MEDICAL FACULTY.

A Combination of FRY'S Pure COCOA with
ALLEN & HANBURYS' CONCENTRATED EXTRACT OF MALT.

THE value of Extract of Malt as a nutritive and restorative agent for delicate and exhausted constitutions is now fully acknowledged by the Profession, the Extract being rich in muscle and fat-forming elements. It promotes, moreover, in a special and peculiar manner, the solution and digestion of all farinaceous foods, and is therefore a valuable remedy in those diseases which arise from an imperfect assimilation of these substances. The presence of the active and valuable constituents of the Malt, unimpaired and in a concentrated form, is secured in ALLEN & HANBURYS' Extract by a special process of their own, and evaporation *in vacuo*.

An ordinary portion contains more of the active properties of malt than a pint of the best ale or porter.

Both of its constituents being highly concentrated, the MALTED COCOA is economical in use, and possesses highly nutritive properties, and on this account can be recommended with great confidence to the public.

The Lancet.—"An excellent preparation of Cocoa and Malt Extract. Its digestive value is beyond all dispute.
