## SOMETHING TO REMEMBER.

In taking medicine, the smaller the quantity that will accomplish the desired result the better. In buying medicine, consider the quality, not the quantity. Water is cheap; medicine is costly.

### DR. DENNIS' SYSTEM RENOVATOR AND BLOOD PURIFYING SYRUP

is the purest extract that can be produced. The bottles are not half filled with worthless sediment from which every particle of virtue has been extracted, but *are filled* with the extract in its *purest form*. The S. R. and B. P. S. is very concentrated, a half tea-spoonful to a tea-spoonful being a sufficient quantity to take at one time. It is not a patent medicine, neither is it an experiment, or something new. For over *fifty years* the System Renovator has been used in private practice in New York City with unvarying success, and it is not now placed before the public as a patent humbug, but as a pharmaceutical preparation of the *highest order of merit*. As a reliable family remedy it cannot be surpassed. An impartial trial will prove such to be the case, as thousands of unsolicited testimonials, from every part of the United States, testify to its wonderful effect and public confidence. It purifies the blood, gives tone to the stomach, and renovates the system.

*A sure cure for Dyspepsia, Fever and Ague; Chronic Affections of the Liver, Kidneys and Spine; Rheumatism, Piles, Syphilis, Fever Sores, Mercurial and Glandular Diseases. Also, Diseases peculiar to Females.*

DR. DENNIS' ANTI-BILIOUS SUGAR-COATED PILLS and DR. DENNIS' CATARRH REMEDY.
