To celebrate Darwin and his achievements, the Natural History Museum and the Quito Visitors' Bureau are offering a fantastic trip to Ecuador.

The winner of this 10-day tour to Ecuador will experience some of its amazing bounty, discovering the World Heritage wonders of colonial Quito, the majesty of the Avenue of the Volcanoes and the colours of the Otavalo market, before flying to the fabled Galapagos Islands for a close encounter with the creatures that inspired Darwin and effectively changed the way we look at the world.

This tour is organised by the Quito Visitors' Bureau, with the support of the Ecuadorian tour operator Surtrek, TAME Airlines and American Airlines.
