some of the fun is to put it on...

it's not romantic?
make it become romantic!

use condoms!

you love your daughter?
...put some condoms in her
bag...

now she needs you...
...Keep her...

harm not to be shy...
go buy condoms
for a friend...

and have a friend buy some
for you...

when was the last time
you played russian roulette?

when the next time?

if you don't know where
it has been...
...pass...

You don't have to say yes
every time...

you don't have to have
them on all the time...

Only when you are having sex...
but then, you have to!

You are
too embarrassed to ask for condoms?

You think
getting aids is less embarrassing?
...dare to ask!

use your head...
...and cover it...

use condoms!

don't leave
home
without
it...

use condoms!

Kondom är ett bra preventivmedel.

Den skyddar mot HIV/AIDS, andra könssjukdomar och oönskad graviditet. En broschyr med Nitkas roliga illustrationer och mer information kan du få på din hud- och venmottagning, vårdcentral, ungdomsmottagning, preventivmedelsrådgivning eller gynnsmottagning. Have fun!
