## Du får ikke AIDS af at vise omsorg

AIDS-smittede har brug for samme omsorg som alle andre. At blive accepteret og værdsat i vores samfund.

De har brug for at kunne fortsætte et meningsfyldt liv. At være sammen med andre på en naturlig måde.

De har brug for nogen, som ikke vil svigte dem, når de allermest trænger til hjælp. Ikke at blive overladt til isolation.

De har brug for din støtte og forståelse. **At hjælpe et medmenneske smitter ikke.**

Vil du vide mere om, hvordan AIDS smitter – og ikke smitter – kan du ringe til

AIDS-linjen, tlf. 01 91 11 19 eller 09 91 11 19 eller 06 13 65 13.
