INTIMATE DEFENCE

HIV is transferred through unsafe intercourse. The virus doesn't discriminate between race, creed, colour, sex, economical status or cultural background. It doesn't matter if you're in Olympic champion or just a spectator, the HIV virus is capable of crossing all boundaries and distinctions. It can be stopped by one simple barrier of your own, the condom. Duly your own intimate defence can protect you from HIV aids. So if you must have causal sex use a condom. For more information call our aids-phone line, free of charge, on 800-34-000.

INTIMFORSVAR

Hiv smitter ved ubeskyttet samlele. Viruset hryr seg ikke om kjønn eller hudfarge. Heller ikke om økonomisk statas eller kulturell bukgrunn. Det tar ikke hensyn til om du er olympisk mester eller hare tilskuer. Hiv-viruset er i stand til å krysse de fleste grenser, men kan støppes av én: Din egen. Bare ditt eget intinforsvar kan hindre smitte. Bruk kondom eller var avholdende for å umgå hiv/alds. For mer informasjon ring vär gratis aidstelefon: 800 34 008.

AUTODÉFENSE

L'absence de sécurité dans les rapports sexuels est une cause de transmission du virus HIV. Le virus ne pratique aucune discrimination. Il ne tient compte ni de la race, ni de la religion, ni de la couleur, ni du sexe. Pas plus qu'il ne se laisse intimider par le statut social ou le contexte culturel. Peu importe que vous soyez champion olympique ou spectateur. Le virus HIV franchit alligrement la plupart des frontières et des barrières socio-économiques. Le seul obstacle qui paisse l'arrêter, c'est vous! Car votre protection intime peut vous mettre à l'abri du virus HIV, donc du sida. Utilisez un préservatif ou n'ayez pas de rapports sexuels occasionels. Pour plus d'information, appelez gratuitement notre sidaphone: 800 34 000.
