CONCENTRATED SOLUBLE *C O C O A*

Prepared by a special scientific process, securing extreme solubility, and developing the finest flavour of the Cocoa.

PURE—EASILY DIGESTED—ECONOMICAL.

I have never tasted Cocoa that I like so well. It is especially adapted to those whose digestive organs are weak.—SIR CHAS. A. CAMERON, M.D., *Dublin, President of the Royal College of Surgeons, Ireland, &c.*

I consider it a very rich, delicious Cocoa. It is highly concentrated, and therefore economical as a family food. It is the drink *par excellence* for children, and gives no trouble in making.
