WE ARE PEOPLE

LIVING WITH AIDS

“

- **Talk to us, not at us.**
- **Talk with us, not about us.**
- **We are not anonymous statistics.**
- **We are living people.**
- **PEOPLE with wishes, hopes, fears.**
- **PEOPLE with partners, loved ones, friends.**
- **PEOPLE who have strength and weakness.**
- **PEOPLE who have qualities and frailties.**
- **We are exactly the same as you**

except that ...

..... We are people living with AIDS”
