**DISEASED POTATOES.**—A printed circular, signed G. G. Cummings and Co., colonial brokers, 10, America-square, Tower-hill, having been generally distributed, wherein it is asserted that “no cargo (of potatoes) will be received without being first examined by Dr. Ure, and certified free from disease and perfectly sound,” I hereby declare, that I have never seen any of the said potatoes, and that I do not, and will not, hold myself responsible for their quality.
