A friend suggests "SUNLIGHT"

5 O'clock and not finished

Nearly Tired of Life.

REPORT ON "SUNLIGHT SOAP,"

FROM

SIR CHARLES A. CAMERON, M.D.,

*Ex-President of the Royal College of Surgeons, Vice-President of the Institute of Chemistry of Great Britain, Chief Medical Officer of Health for Dublin, S.Sc. C. Cambridge University, Member of the College of Physicians, Professor of Hygiene and Chemistry, Royal College of Surgeons, Ireland. Hon. Member Societies of Hygiene of Paris, Bordeaux, and Belgium.*

Laboratory, Royal College of Surgeons, Stephen's Green, W., Dublin, February 15th, 1888.

I have carefully analysed specimens of the "SUNLIGHT SOAP," submitted to me for that purpose by Messrs. Lever Bros., Warrington, and the following are the results at which I have arrived:—

The points in the composition of this soap that are most valuable, are its freedom from free alkali, the large percentage of fatty acids which it contains, and the purity of the materials employed in its preparation. I employ the soap for my own toilet purposes, and from my actual experience of it can strongly recommend it.

(Signed) CHARLES A. CAMERON.
