Angamiza MBU

- Ministry of Health has launched a campaign to spray houses in malaria epidemic prone districts for **FREE**.
- Spraying will reduce the number of mosquitoes in your house.
- Chemicals used are safe for humans and animals.
- Please cooperate with MOH trained spray teams and allow them entry into all the rooms of your house so they can spray effectively.

Starts May

Ends July

Tushirikiane tuangamize mbu. Komesha Malaria, okoa maisha.
