Duck!

It's tough living in the slums of Kibera. And while everybody does their best to keep their children happy and healthy and their homes clean, some bad things are just impossible to avoid. Like Flying Toilets. • Flying Toilets is Kibera slang for wrapped up faeces that are flung onto roofs, into garbage heaps or into communal drains. Currently there is one working toilet for every 10,000 people. Clearly, our assistance is needed. • With your help, we want to raise 9 million shillings to build 300 latrines and wash-units for the slum-dwellers in Kibera's Laini Saba. • Please send any donation you can afford to AMREF Flying Toilet Fund, PO Box 30125 Nairobi or contact Sylvia Mudasia on Tel: 604651 - 6. You can also send your donation to the Flying Toilet Account at Standard Chartered Bank. • Help stop Flying Toilets. It's a call we can all get behind.
