Over 50% of Africans struggle daily for water, for life. More suffer and die from water-

borne disease caused by unhygienic or absent sanitation. The price paid is too high, for all of us—locally, regionally, globally.

because
Africa's
safe water deprived
are Africa's
majority...

Accelerate water supply and sanitation for the urban poor.
Water is life; Sanitation affects the quality of lives.

East Africa Regional Conference Accelerating Water Supply and Sanitation for the Urban Poor
29-30 May 2006 Nairobi, Kenya
