## PROFITABLE BUSINESS is passing your door!

Every mother seeking to give her child the health-giving **RAY'S OF THE SUN** despite the British climate, needs Actina.

Every man whose personal **HEALTH** is his principal asset is a potential buyer and everyone who likes to look and feel well.

The sufferers from **RHEUMATISM**, arthritis, fibrositis, sciatica, lumbago, sinovitis, bronchitis and neural complaints are a **WIDE MARKET** for Actina, Uvisol and Deep Ray.

These models take up only a few inches of **DISPLAY SPACE**, a spot which can bring more **PROFIT** than several square feet of other display.

For instance there is £3 13s. 6d. **PROFIT** on every Actina sold and £3 3s. 0d. on every Uvisol.

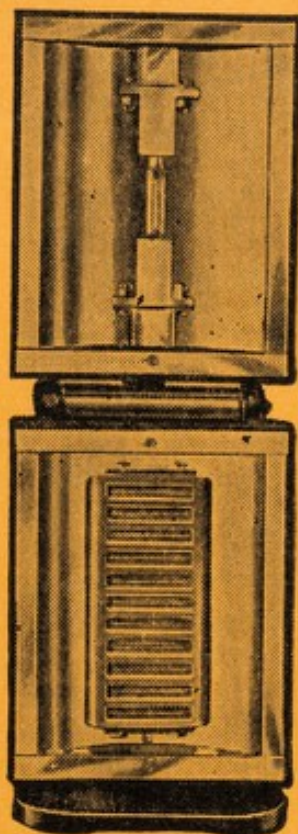

There is **NO PURCHASE TAX** because their value as medical appliances is recognised by the authorities.

Explanatory **LEAFLETS** and **WINDOW CARDS** will be sent with your supplies.

Please complete and return the form given below to :—

PERIHEL LIMITED,

### UVISOL

Ultra-Violet, Radiant-Heat

Tax Free Price  
£12 - 12 - 0  
AC/DC

The Uvisol combined ultra-violet and radiant heat unit houses the ultra-violet and radiant heat emitter in one 11 in. bell-shaped parabolic reflector with selector switch, which allows ray sources to be used independently. The reflector is mounted by a mobile joint to a weighted base which gives full stability and allows the model to be used for the treatment of a patient lying in bed, or closed when not in use. The Annular Ultra Violet Tube is of the low pressure type.

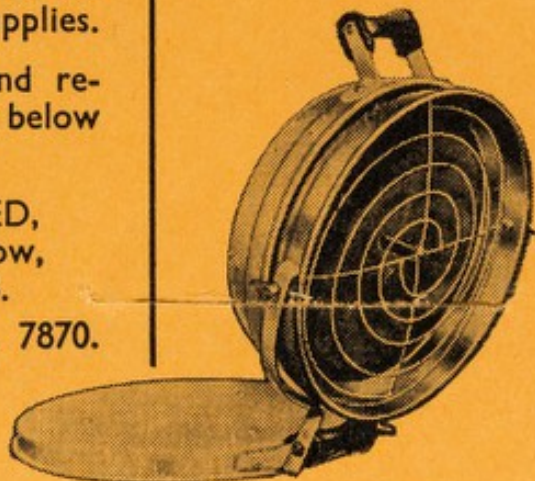

### DEEP RAY

Infra Red Heater

Tax Free Price  
£5 - 5 - 0  
AC/DC

The Deep Ray Infra Red Heater combines deep penetration with wide radiation for full body treatment. It is fitted with a cemented 950 watt Infra Red Element, and can be closed to a compact Unit and stored dust free. Mounted on a solid base, it is perfectly stable for use over the bed. The Deep Ray can be closed or opened by the touch of a handle and brought into the right operating position.

### ACTINA

Ultra-Violet, Infra-Red

Tax Free Price

for A.C. £14 - 14 - 0

for D.C. £15 - 9 - 0

This Model comprises :

- (1) A High pressure 150 watt Mercury Arc Quartz tube so powerful that on average skin only one minute's treatment at one yard distance is required.
- (2) A 400 watt black body element that can be used independently and being 100% "front wired" has no radiation losses.
- (3) A mains switch and a selector switch for Ultra Violet combined and for Infra Red alone, and a detachable plug-in flex connector.
- (4) A miniature double box (supplied in four colours), each half housing one of the reflectors. The complete size is 5" x 6" x 9½" and ACTINA weighs only 5 lbs.

Goggles are supplied free with each model.

This model is described in a special leaflet which can be supplied on application.
