BETINES, S.J. & CO.

PEKING

1914

Plague

31 January 1914.

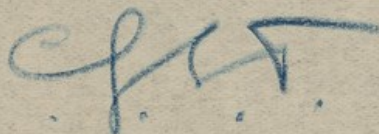

Dear Sirs,

I desire to thank you very cordially for so kindly sending the three packages of plague relics from China which have duly arrived today. They will form an interesting addition to the relics of plague that we already have in the collection.

Again thanking you very heartily for your kindness,

I am,

Faithfully yours,

Messrs. S.J. Betines & Co.,

Peking.

International Historical Medical Museum
London.

Dear Sir,

By last mail we have sent you by sample
post 3 packages relics of the plague - epidemic
(in China) 1911 for your museum. The packages contain
3 masks, a bottle of inhalation fluid for
the same (a mixture of camphora, carbolic
acid and eucalyptus oil) and 2 bottles plague-
serum. Enclosed we also send you a picture
of a Japanese soldier with the plague mark.
Hoping that these articles will be of some
interest for the museum we remain

Yours
Sincerely

ppa. S. J. Betines & Co.
