BURGERS, J.M.

ARNHEM

1913

3 December 1913.

Dear Sir,

In reply to your letter of the 1st inst. to hand this morning, the case containing your microscopes is being forwarded from here today. I trust the delay will cause you no inconvenience, but we had to take great care in packing them. I shall be glad to learn that you have received them safely in the course of a few days; they have been insured for the amount you placed upon them.

I take this opportunity of thanking you very cordially for your kind assistance and co-operation in making the Museum a success.

Faithfully yours,

J.M. Burgers Esq.,  
Arnhem,  
Holland.

Amhem, 1 Dec. 1913.

Dear Sir,

Mr. C. J. S. Thompson, Curator of the Hist. Med. Museum informed me in his letter of October 5th, 1913, that my microscopes would be forwarded to me the week after next to the closure of the Exhibition. As yet I haven't received any information about them; nor did I receive any answer to a postcard sent about 10 days ago to Mr. C. J. S. Thompson on which I asked to find word to me when he intended to forward them.

As I am afraid, that, if it is yet ~~long~~ a long time before the microscopes will be returned, my freedom of import-duties will be lost. I pray you kindly to inform me when I can expect to receive them.

Thanking you in anticipation

J. M. Burgers

Thanking you in anticipation,

(see over)

Yours truly J. H. Buijers.
