TRANSLATION.

Dear Sir,

I beg to thank you for your letter of the 5th, and I am sending you herewith the Souvenir as requested.

I very much regret that I am unable to let you have any relics from the Historical Medical Exhibition held here, as all the exhibits were on loan.

I should be very much obliged to you, if you would kindly send me a postcard informing me where mention is made of my pharmacy, I have not been able to find the notice.

Yours very truly,

4th June, 1908.

Dear Sir,

I note in "The Chemist and Druggist" that you have recently published a Souvenir giving an account of the history of your interesting and historic Pharmacy. I should be very pleased to have a copy of the same for the Historical Medical Exhibition, a syllabus of which I enclose. It may be, probably, that you may have some interesting relice of pharmacy in Denmark, which you might be willing to loan of for the same, I should be glad to hear from you accordingly.

Thanking you in anticipation,

Yours very truly,

Mr. Otto Muller,

Bno.
