We, being a Board of Survey, convened by Order of the Principal Medical Officer, having carefully examined the foregoing Return of Medical Stores, find it correct and corresponding with the several Vouchers produced in support thereof.

The Articles stated as remaining in stock are in good condition, well arranged, and in conformity with the actual quantities then in stock, except in the instances noted in the Column of "Remarks".

We have also ascertained with reference to the several Issues of Medical Stores and the Stock now on hand, that a further supply, as per accompanying Requisitions, is necessary to meet the probable wants of the Service.
