Dear Sir
I beg to acknowledge the receipt
of your letter of the 7th inst.
The documents & letters which
I think would interest you, are a
series of letters & documents commencing

of the medical School at St. George's
Hospital; the prayer of the Archbishop
of Canterbury in his own hand written
for the recovery of the Prince of Wales
when ill of typhoid fever; speeches
& addresses written in their own hand
by Sir James Paget, Sir Thomas Watson
&c. & the numerous letters, some of
much interest, from Herby, Tyndall

Shall I send you them for your
use?

Yours faithfully

Dear Sir

I enclose herewith a list
of persons of note of all of whom I have
letters which may be of interest to you.
~~These~~ These letters are nearly all
addressed either to my self or my
husband & are sometimes of considerable
interest.

I have a large number of documents
& records of medical interest; but I
should have to look them up, which
would take time, but the letters are
easily available.

22 August 1914.

Madam,

I have duly received your letters of the 20th and 21st inst., and the parcel containing the letters and documents which you have kindly sent for inspection. I have carefully checked these with your list, and they are all in order with the exception of the autograph letter from Dr. Haffkine which you have not sent. I have gone through the letters, etc., carefully, and have selected those that are of interest to me, but before considering their purchase, I may say that the prices you have placed upon them are in most cases more than double the market price at ordinary times. I can therefore only make you an offer for those I have selected, and if you do not care to accept this, will you kindly let me know, and I will return the parcel to you. I should be willing to offer you twenty-five shillings for the following letters and documents:-

- Prayer used in all the Churches in 1872. ✓
 - Anti-vaccination envelope.
 - Sir William Jenner's letter.
 - Dickson's Report.
 - Lister's letter.
 - Sir James Paget's letters.
 - Sir Michal Foster's letter.
 - Sir Henry Thompson's letter.
 - Sir Spencer Wells' letters.
 - Sir Burdon Sauderson's letter.
 - Sir Walter Foster's letter.
- B

Referring to the other list you have also sent me this morning, I am returning it herewith, and have marked with a red cross the autograph letters that are likely to interest me. If you care to send them on to me, I shall be glad to give the matter consideration. In the meantime, I will retain the whole of the parcel until I hear from you again.

Madam,

I desire to thank you for your letter of the 23rd enclosing the further eight letters. I have examined these carefully, and can offer you fifteen shillings for the same, thus making my total offer for the eight letters you have sent and the thirteen documents and letters. Two Pounds. I am enclosing you a cheque for this amount in case you accept my offer. If it is not acceptable, kindly return the cheque to me, and I will return the letters.

If you would be good enough to let me have a list of the signed photographs and prints of distinguished doctors, etc. that you wish to dispose of, I will give the matter attention.

I am enclosing per registered post the documents connected with St. George's Hospital, the two letters from the Rev. H. Howels, three letters from W.B. Carpenter, and one from James Knowles.

Kindly sign the enclosed receipt and return it to me.

P.S.

There is one letter which I enclose herewith. It appears to be from T.H. Hanley. I think you must have sent me this in mistake for one that I marked on your list with a red cross.

I have also not received the Dickson's Report on Plague; in mistake for this you have sent me a report of a speech on Music which I return herewith. Will you kindly send me the Report on Plague as soon as possible?

Dear Sir

I have turned up about 50 letters
from distinguished foreign medical
men which may interest you. I enclose
a list. It is very difficult to decipher
some of the signatures.

Also a letter from Sir Wm. P. D. P. P. P.
stating how it was finally arranged
that Sister should go to King's College
which is an historical document.
I should interest you, as you have Sister's
letter saying the arrangement had
broken down. As is well known Sister
went to King's College after all.
Please make an offer for these
letters

Madam,

In reply to yours of the 25th inst. to hand this morning, I am sorry that none of the letters on the list that you sent of foreign medical men are of sufficient interest for me to make you any offer for them.

Dear Sir

I try to acknowledge the receipt
of your cheque for £2, & enclose receipt
thereinto. Also the return of the
documents which are all right.
Return Prof. Huxley's letter which is
quite genuine. I have compared it with
other letters in my possession.

I will look for Dr. Dickson's report on plaque
this evening.

I have looked up some interesting fossils
which will send you a list later.

The signed photos which I can at present
lay my hands on are the following

Sir James Paget
Sir Thos. Watson
Sir J. Lubbock
Sir Joseph Fayrer

Dr. Parke (who accompanied Stanley
through "the Dark Continent").

Rudolf Virchow

Olevis Wendell Holmes (engraving)

Will you give me 35/- for these?

I send you here with two U.S. lectures
by Sir Thomas Watson & Sir James
Paget. I should like to know the best
price you will give me for them.

I am desirous of making money at the
present time. I recently took a berth
of 2 1/2 years as Scientific Advisor
to a ^{large const. with liquidation} company, & through I am engaged
in a good deal of scientific & technical
work for government departments
& others, & ⁱⁿ processes of manufacture

Matters do not materialise as
rapidly as we wish.

I desire to thank you for your letter of August 27th enclosing the MS. of lectures by Sir Thomas Watson and Sir James Paget. The lecture by Sir James Paget is the only one that is of interest to me, and for it and the anti-vaccination post card you send, I should be willing to give half-a-crown.

Thanks also for the Dickson plague report and the Huxley letter now duly to hand.

If you will send me the signed photographs you enumerate I will make you the best offer I can for them, but I cannot say without seeing them first. I am returning Sir Thomas Watson's address herewith.

I desire to thank you for your letter of the 4th inst., and for so kindly sending me a further packet of letters. You did not, however, enclose the receipt signed for the cheque I sent, and I should be glad if you would kindly do so in your next letter.

I am returning herewith the signed photograph of Sir Thomas Watson and the letter from Sir George Burrows as they are of no interest to me.

For the Oliver Wendell Holmes signed portrait, Sir William McCormac's letter, the translation from the Japanese application, and the letter from Huxley, I can offer you ten shillings. It is a pity that you have not got the original of the Japanese letter which would be worth considerably more than the translation which is practically worth nothing. Madam,

Your note of the 8th inst. to hand this morning, and I have pleasure in enclosing you a cheque for eighteen shillings for the autograph documents as agreed.

I remember that a good many years ago, Mr. Ernest Hart published some articles in the "British Medical Journal", which I believe were issued in the form of a pamphlet afterwards, on early Hebrew Medicine and Hygiene. Have you by chance any notes or memoranda on this subject that he made at the time? Perhaps you will kindly let me know, as they might be useful to me some time.

Dear Sir,

I went to the Depository
today and after opening several
cases I found a packet
containing several of
the missing books. -

They are the missing
Volume of Ibn Batutas

Travels (manuscript
Abu Mohammed el Wardy
2 Vols. Manuscript

Ali Bey. Travels of 2 vols

Höst Marokko og Jes 1779
Illustrated. -

Ouseley's Oriental Geography
a translation from the
work of Abu Haukel.

Bourke Th. Moors in Spain
1811

There are also other
works which were not
included in the list of
which I will send you the
titles if I have the time
before leaving on
Sunday.

The list I handed to you
was copied from one I
made in 1886 for my
Father when he was

leaving Morocco -
Some of the works must
have disappeared after
his death & I did not
receive a full list
when they were forwarded
to me from Fez.

Nevertheless, most
of the best & valuable
books are still in
the collection -

Perhaps Messrs. Epsworth
might wish to see the
books I have found
I am leaving England

on Monday evening
but this address will
always find me
I have requested the
Manager of the Depository
to keep the Arabic books
in view until
Monday or Tuesday
at the latest.

Yours faithfully

Dear Sir,

Thanks for your letter of the 20th inst. to hand this morning concerning the missing books. I think the best plan would be for me to get Epworth's man to call on Monday and make a list of the books that you have found, and let me have a valuation, and I will write you again directly I hear from him.

Thanking you for the trouble you have taken in the matter,

Faithfully yours,

C.J.S.T.

H.M.M. Official

21 December 1916.

Dear Sir Robert,

I have now heard from Mr. Wellcome who is still abroad, and I find it is he who wished to purchase the books on Morocco that you saw me about. He is willing to give the amount you mentioned, namely Thirty Pounds, and I enclose a cheque for the same herewith for the ninety books and MSS. at the depository at Notting Hill. If you will kindly send me an order per registered letter upon the depository people so that I may remove the books for Mr. Wellcome, I should be greatly obliged, and also a receipt for the enclosed.

Mr. Wellcome wishes me to ask you about some other Moorish or Arabic MSS. in the libraries at Fez and other cities in Morocco which Miss Drummond Hay told him about, and of which Sir John Drummond Hay had made a MS. catalogue. Mr. Wellcome would be very glad to know if such a list is still in existence, and if you could let him have a copy of it, or if he could acquire the same.

Trusting you will receive the enclosed in safety.

I am,

Faithfully yours,

C.J.S.T.

Villa Maroussia

Brarriz December 27. 1916.

Dear Sir,

I beg to thank you for your
Cheque £30 in payment of the
books on Morocco purchased
by Mr Wellcome and to enclose
the receipt as requested, —
together with an order on the
Post Office Deposit Co., Carlton
Street - S.W. authorizing you
to remove the books from
their Depository at Barbican Road
C. J. Thompson Esq.
25 A. Wigmore Street.

W.

Being very pressed for time
just before leaving England
I did not count the exact
number of books but they
were left all collected together
in one case. Should any
of the missing volumes
turn up when I overhaul
my furniture again, I
will not fail to hand
them over to you -

With regard to Mr. Wellcome's
enquiries as to "other Moorish
or Arabic M.S. in the libraries
at Leyden" - my sister happened

to be with me here on her
way to Tangier. I have asked her
to examine papers in her
possession which belonged
to my Grandfather who was
also for many years British
Representative in Morocco
and took a great interest
in M.S.S. and the Archaeology
of Morocco. I have never
come across any M.S.
Catalogue among my
father's papers.

With good wishes for 1917

Yours faithfully
Raymond Howard Hay
