Dear Sir,

With respect to the two old Syrup Jars which you mention in your letter to hand yesterday, if they are of delft (blue and white), though damaged, they would still be of interest. Perhaps you will kindly let me know.

Thanking you in anticipation,

Dear Sir

You are perfectly
at liberty to retain the
old Pharmacopoeia, until
such time as the Exhibition
is over. I have two old
Syrup Jars (18th Century) but
the spouts are broken off
so I did not think them
worth sending. Wishing you
a great success.
