1912
T.J. & J. Smith's

AUTOMATIC

SELF REGISTERING POCKET NOTE BOOK.

FOUND AT ONCE.

The principle applied to this book entirely does away with the necessity of any searching for the last entry, as it

**AUTOMATICALLY OPENS AT
THE PLACE REQUIRED.**

When the Pencil is withdrawn from the clip or holder the leaves freely pass from beginning to end, and on the pencil being inserted it is securely retained in a convenient position, clearly indicating the leaf to be next used.

| |
