Dear Sir,

I have returned to you the bleeding basin and engraving which you kindly lent to the Historical Medical Museum, but as the Museum is to be made a permanent institution in London, I should be glad if you would let me know if you would be willing either to present or dispose of the tooth forceps to us. Should you decide to sell them kindly let me know what price you would require. On hearing from you I will give the matter early consideration, and if we cannot acquire them will return them at once.

Thanking you very cordially for your kindness,

I am,

Faithfully yours,

C.J.S. Thompson.

Dear Sir,

I beg to acknowledge receipt of your letter of the 8th inst, and to thank you for your kind offer to loan the old bleeding basin and the work "A General System of Surgery" to my forthcoming historical medical exhibition. I shall be very pleased to receive the former, but already have a copy of the book mentioned; otherwise I should have been happy to have had that too. I will advise you in due course of the time and place to which the old bleeding basin referred to should be delivered.

I am,

Yours very truly,
