Dear Sir.

In reply to your letter re the Historical  
Medical Museum I should be very glad for  
you to retain on loan the objects you have  
found for the Permanens Museum if they are of  
any use. I would gladly give them but they  
have a certain amount of sentimental value.  
I have not been able to use your land  
table for admission nor I fear can I do  
so before the Museum closes - should I be able  
to use it when it re-opens.

Yours faithfully

Dear Sir,

I desire to acknowledge the receipt of your letter of the 19th inst.

The matter of the distribution of tickets is at present under consideration, so I am unable to state definitely yet whether others than exhibitors and members of the medical profession will be admitted to the Museum.

Yours very truly,

Rev. B. Rees,

Dear Sir,

With regard to the Historical  
Medicine Exhibition to be held in  
London from June 24<sup>th</sup>. I am  
writing to ask whether you will  
be able to let me have any  
tickets for the same. I notice  
that the Exhibition is now to be  
open to the general public but  
since application for exhibits has  
been made to clergy I suppose  
they will be included.

Yours faithfully
