HOCART, A.M.

1914

*to m*

16 June 1914.

Dear Sir,

In reply to your letter of the 11th inst., Mr. Wellcome is at present out of town, and I cannot say if he will be willing to contribute towards the collection of material, but I will speak to him about the matter when he returns.

Faithfully yours,

*L. T.*

June 11. 1914

Dear Sir,

In reply to your letter of the 6 June, I wish to enquire what Mr Wellcome will allow for the time, expenses, etc. of collecting the necessary material.

Yours faithfully,

A. M. Howard.

6 June 1914.

Dear Sir,

Your letter addressed to Mr. Wellcome who is at present travelling abroad has been handed to me. In reply I may say we shall be very glad to have such a collection as you suggest of Fijian plants used in medicine, and any implements or appliances connected with them. Any information as to the names of the complaints for which they are used would be very desirable.

Thanking you for the kind offer of the same, and for calling our attention to your work,

I am,

Faithfully yours,

C.J.S. Thompson.

Recd.  
4 JUN 1914

Dear Sir,

I am informed that leaves and such like objects used in savage medicine are of interest to you and of value to your collection.

If you desire a collection of leaves used in Fijian medicine, cup and strainer I might be able to

secure some, together  
with the names of the disease  
for which they are used.

As for a full description  
of the remedies that will  
appear in a work I am  
preparing on Fijian eth-  
nology.

I remain,

Yours faithfully,

A. M. Hocart.

Senior Scholar, Exeter College.
