Jan. 29th, 1912.

Dear Sir,

I am informed by Mr. Linstead, of Messrs. Burroughs Wellcome & Co., that you have recently returned from Nigeria, and have brought with you a number of native objects of medical interest, which you would be willing to loan to Mr. Wellcome for the Historical Medical Exhibition which he is organizing to be held in London next year.

I am at present engaged in classifying the objects loaned in a building at above address, and if you would kindly have them forwarded here, or if you prefer I could call and see them if you will kindly make an appointment at your convenience.

I am,

Faithfully yours,

Mr. J.S. Thompson

re H.M.E.

Please note that Dr. Lebas, Sports Club, rang me up to-day to say that he has just returned from Nigeria, bringing back a number of Nigerian objects of medical interest. Dr. Lebas was requested to make such a collection by Mr. Wellcome with the view of lending the objects for the H.M.E. The doctor was just off for the week-end, but expects to return to the Sports Club on Monday, or shortly afterwards. I said I would arrange for him to receive on Monday a letter from the gentleman in charge of the H.M.E. arrangements.

Will you, therefore, please get into touch with him?
