Account of Release of Hospital & Office & Items in the Hospital Report at Philadelphia from October 1st to December 31st 1932
J. C. Kersey, Dispenser in Charge

We the Members of a Board ordered by the Inspector General of Hospitals, certify that having carefully examined the Returns of receipts and issue of Medical Stores from August to December 31st 1932 and having compared the Invoices of stores received and the vouchers of stores issued with the Returns find that with a few trifling exceptions they correspond. We have ascertained that the quantities stated to have remained on the 31st December agree with the acknowledgment given by Mr. M. J. Spencer, Fernandez & Mr. J. C. Kersey, the former taking charge of the store at that date.
