# THE CALENDARS.

The *Jewish* is in accordance with the system arranged A.D. 358. The Calendar dates from the Creation, which is fixed as 3760 years and 3 months before the beginning of the Christian Era; the year is Luni-solar.

The *Mohammedan*, or era of the Hejira, dates from the day after Mahomet's flight from Mecca, which occurred on the night of July 15, 622 A.D. The months are Lunar.

The *Fasli* year was derived from a combination of the Hejira and Samvat years by the order of Akbar; it is Luni-solar. The *Bengali* year seems also to have been related at one time to the Hejira, but the fact of its being Solar made it lose 11 days each year.

The *Samvat* era dates from 57 B.C., and is Luni-solar. The months are divided into two fortnights—*sudi*, or bright, and *badi*, or dark. Each fortnight contains 15 tithis, which furnish the dates of the civil days given in our calendars.

**INSTRUCTIONS.**—For "Copying Ink" recently written thoroughly remove all superfluous moisture; when more than one copy is required, *take them separately*, making each succeeding one a little damper, and pressing longer. In this manner from four to six copies may be taken.

For "Copying Ink" which has been some days written, or copied before, or for "Non-Copying Ink," damp well on both sides and press for a few minutes. *One and sometimes two copies can be taken in this way.*

The many thousands of Suits we have made without seeing the wearers has given us the experience that is absolutely necessary to make perfect fitting clothes from customers' own measurements. Because of our 25 years' experience you may rely upon absolute satisfaction if you send us your order.

The Self-Measurement Form opposite ensures a perfect fit. If you fill it in and send it to us with your remittance, and state the kind of cloth you like and leave the choice to us, we will make and despatch the clothes one week after hearing from you.

*This Form is the copyright of J. & H. ELLIS*

**LOUNGE SUIT** in Blue Serg., guaranteed to stand sun or sea, made to measure and guaranteed to fit **60 - to 90 -** according to weight of cloth.
