LASCIALFARE, DOTT. DARIO.

PISTOIA, ITALY.

Lascialfare, 17th July 1913, translation of letter to.

Dear Sir,

I desire to thank you for your kind letter of the 14th inst. and note with pleasure that you have kindly consented to lend the obstetrical figure for the H.M.M. of the International Congress of Medicine, and that it is now in transit.

I shall be pleased to see you when you pay the Museum a visit, and if you will kindly ask for me I will reimburse you for the cost of sending the object.

In reply to your questions re the railway fares, etc., for members of the Congress, will you kindly write to The Secretary, The International Congress of Medicine, The Albert Hall, London, W., as this is the Museum only, and we have nothing to do with the secretarial business. He will, I have no doubt reply to your queries immediately and send you a Guide to London.

Please accept my very cordial thanks for your kindness in sending the figure.

Faithfully yours,
