Dear Sir,

I desire to thank you for your letter of the 8th inst., and for renewing your offer to loan me the objects of interest for the Historical Medical Exhibition. I should have been pleased also to have availed myself of your kind offer of the seventeen books on medicine and surgery, but regret that, as I already have a large number of such, it will be difficult to find place to exhibit them with proper advantage.

Again thanking you very cordially for your kindness and the trouble you have taken,
