Dear Sir,

I desire to thank you for your kind letter of the 18th inst., and am pleased to learn of your interest in the study of the archaeology of the Druids. I am very pleased to forward you under separate cover a copy of the little work entitled "Ancient Cymric Medicine".

The subject of the alchemistic tendency of the Druids is one of great interest, and I myself am much interested in the study of their symbols.

Could you give me any information, either from works of reference or from your own research as to any connection between the symbols of the Druids and the early alchemists?

Thanking you in anticipation, and trusting to hear from you again,

I am,

Yours very truly,

Dr. A. V. Mailly, Biberstrasse 4, Vienna I. Geehrter Herr,

Meinen besten Dank für Ihr Geehrtes vom 18 ct.
Sehr gerne, vernehme ich, dass Sie sich für das Studium
der Druiden-Archäelogie interessieren. Es freut mich
deshalb, Thnen unter besonderm Couvert, ein Exemplar eines
kleineren Werkes betitelt: "Ancient Cymric Medicine"
zusenden zu können.

Die Alchemistische Tendenz bei den Druiden ist eine sehr interessante Frage, und was mich anbetrifft, so nehmie ich ein eifriges Interesse in deren Studium.

Vielleicht sind Sie im Stande, - entweder aus bezüglichen Werken oder aus Ihren eigenen Nachforschungen mir mitzuteilen, in voie fern die Symbolen der Druiden mit den früheren Alchemisten in Zusemmenhang stehen.

Ihnen für jede Mitteilung zum Voraus bestens dankend, zeichne ich.

Hochschtungsvoll

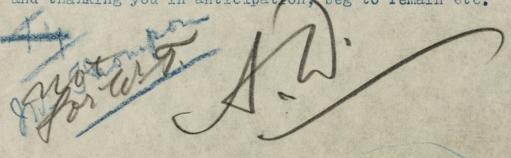

Herrn Dr. A. V. Mailly, Biberstrasse 4, Vienna 1, Austria. Translation of letter from A. v. Mailly, Biberstrasse 4, III/III., Vienna I., dated 18th June, 1906, received here 20th June, 1906

I take the liberty of troubling you with these lines in the German language, as I unfortunately know very little English.

In the course of my research into the manners and customs of the Druids, it came to my ears that you, dear Sir, had written a very interesting little work regarding "Ancient Cymric Medicine." May I therefore make so bold as to ask you to be good enough to send me same.

In return I am at your disposal to answer any questions you may have to make. I am specially interested in the alchemistic tendency of the Druids.

I am sure that you, dear Sir, will comply with my request, and thanking you in anticipation, beg to remain etc.
