MARRINGTON, F. G

1913

from

30 October 1913.

Dear Sir,

I desire to thank you very cordially for presenting the old Swedish pharmacy jar to the Historical Medical Museum.

I am deeply sensible of your kindness in presenting this interesting object to the permanent collection and in helping me to make it as complete as possible.

Again thanking you,

I am,

Faithfully yours,

C. J. S. T.

HISTORICAL MEDICAL MUSEUM

54A, WIGMORE ST.
LONDON, W.

Dear Sir,

In response to the many requests, received from official and other members of the medical profession, that the date of closing the Historical Medical Museum should be further extended, I have decided that it shall remain open until October 31st, when it will be closed temporarily, for a few months, for re-arrangement.

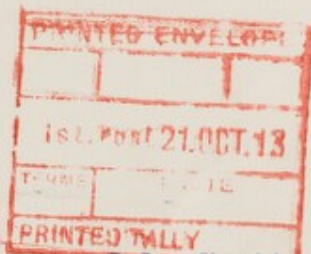

As you are doubtless aware, it is my intention to make the Museum a permanent institution in London. I should therefore be glad to know if you would be willing to allow the objects you have been good enough to lend, to remain as a permanent loan, or present them, as many lenders have already so kindly done, to the Museum. If you feel unable to comply with this suggestion, the object loaned will be returned to you after the Museum closes, on October 31st.

I take this opportunity of thanking you very heartily for your kind co-operation, which has greatly assisted in making the Historical Medical Museum a success.

I am,

Yours very truly,

Henry J. Wellcome

P.S.--Should you be desirous of disposing of the objects, will you please advise me of the price required.

16/10/13. Rep. desires to thank you for the booklet relative to the opening of the Historical Medical Museum. He will be pleased to present the antique Swedish Pharmacy Jar to the Museum.

Ackd. 30/10/13. M. W. D. M. W. D. M.
