Dear Sirs,

We were advised by Messrs. Burgersdijk and Niermans of Leyden some weeks ago that they had requested you to pay over to us on their account the sum of £10:3:- As we have not heard from you we thought it would be as well to write to you before troubling Messrs. Burgersdijk again,

Yours faithfully,

Dear Sirs,

We desire to thank you for your post-card and for the trouble you have taken in searching for a copy of 'Mulder Historia Forcipum'. We think we shall still be able to place it but the price seems very high. We shall be willing to give £1.15.0 for it, if you will kindly send it for inspection and we see the condition is good and the plates are perfect.

We take this opportunity of mentioning that we are open to purchase any old MSS. from the 14th to 17th century, on Medicine, Surgery, Alchemy, Botany, or Pharmacy. If you know of any such at reasonable prices will you kindly send a full description and the prices asked for the same. We specially want those containing miniatures or drawings. You are no doubt in communication with other dealers in Holland and you could thereby make a search for us for such items.

Some day in more peaceful times we hope to come over and see your stock of ancient books and thus we may be able to do further business.
