CONVENER:
REV. ALEXANDER CONNELL, B.D.

SECRETARY:
REV. WM. DALE,
NEW BARNET, LONDON.

FINANCIAL SECRETARY:
MR. JOHN LEGGAT,
7 EAST INDIA AVENUE, E.C.

The Presbyterian Church of England.

FOREIGN MISSIONS COMMITTEE.

New Barnet,
London.

Messrs. Burroughs, Wellcome & Co.

Feb. 17th, 1904.

I sent on your prospectus of your Exhibition to Dr. Lyall of Swatow who is at present at home. He has nothing himself with him at home which would be of any service. But he suggests that possibly our mission doctors on the Field might be able and willing to give some assistance. Would you send a copy of your letter inviting help and your prospectus of the Exhibition containing some account of the kind of exhibits you propose to gather to each of our Mission Doctors? I think I sent you a copy of our Report a little while ago containing the names of all our missionaries in order that you might send out to each one of them the medical booklet containing a great mass of useful information which you have compiled and published. You have therefore the names and addresses of our medical missionaries in your possession. I shall write to each of those on the Field and tell them that you are doing this and invite them to give you any help which may be in their power.

Yours truly,

Mr Dale

P.S. Besides Dr. Lyall, Dr. Preston Maxwell of Changpu and Dr. Cross of Engchun are at present at home. Kindly address to them as follows:-

Dr. Preston Maxwell, 31 Hammelton Road, Bromley, Kent.

Dr. Cross, 9 Lower Park Road, Loughton, Essex.

that we shall do as he suggests,
