Hum

7 November 1913.

Dear Sir,

I desire to thank you for your kind letter of appreciation, and I note that you are interested in all kinds of antiques. I am sure there must be many antique objects of medical and surgical interest in Persia. Should you come across anything in the way of pottery, jars, manuscripts, books, mortars and pictures in colour relating to medicine, surgery and pharmacy, I should be glad if you would forward the same to me, and I shall always give the matter early consideration.

I desire to thank you also for the photograph of the tomb of Mordecai and Esther.

Hoping to hear from you again,

I am,

Faithfully yours,

C. J. S. T.

Doctor D. Moussa,
