FOUCAR, H.E.

1908

Foucar

Snow Hill Buildings,

9th June, 1908.

Dear Sir,

I am instructed by Mr. Wellcome to enclose you a cheque for Three Pounds, for the objects which you kindly brought from China for the Historical Medical Exhibition, and in which he has been much interested.

Mr. Wellcome hopes that, when you return to China, you will still kindly see what you can do in gathering any objects likely to be of interest for the Exhibition; native surgical instruments, pictures of deities connected with medicine or the art of healing, and any curious native implements or appliances connected with medicine or surgery would be especially acceptable.

Thanking you very cordially for the trouble you have taken in the matter,

Faithfully yours

H. B. Foucar, Esq.

Dear Sir

Thank you very much
for the cheque from Mr. Wellcome.
As to the district in China in
which the objects were collected,
I may say, that the heron shaped
scissors and the bird shaped
knife come from Soochow,
Che Kiang province; the dagger
is from Honan province; and
the rest were collected at Ning-
-kwo-fu in An-hwei province.
faithfully yours.
