Gentlemen,

We are much obliged for yours of
22nd Nov. At the sametime we cannot
give you a date for the Instruments to which
you refer, as it is not in the practice of
the trade to date Instruments, and we do not
ourselves know how many may be before and
how many after the date you mention, 1830.
We should be willing to sell you the entire
set of Instruments for £5 without any
guarantee as to date.

Yours faithfully,

Dear Sirs,

We are obliged for yours of 18th inst., enclosing a list of the oldssurgical instruments. We shall be pleased to purchase the whole lot if they are all over sixty or seventy years old, and we can agree as to a price for the whole of them. Any instruments more recent than 1830 are useless for our purpose.

If you will eliminate from yours any more modern than that period, and send them on approval, letting us have a price for the same, we shall be glad to purchase if satisfactory.
