Thank you for favour to hand
this day. I beg to say I have presented the

2nd July 1912.

Madam,

On the 20th May last, I had the pleasure of communicating with you with reference to an old surgical saw and amputating knife, which your late husband kindly offered to loan me for the Historical Medical Exhibition, to be held next summer.

As I understand that you are desirous of parting with these, I should be pleased to make you the best offer I can, if you would be good enough to send them to me for inspection.

Thanking you in anticipation of a reply,

I am,

Yours very truly,

H.S.W.

Madam,

I desire to thank you for your letter of the 17th inst., and am sorry to hear of the death of your husband.

With respect to the engraving of distinguished men of science, I have since acquired a copy of this, so should not require the same, but if you would be good enough to send me the case containing the old surgical saw and amputating knife, stating the price you require for it, I will make you the best offer I can.

I am,

Yours very truly,

Owing to the death of
my husband Mr

Charles Allen which

occured on the 7th of

this month, I am

writing you concerning

Which procure my
husband & ourselves
blend to your
coming Historical

also a pair of antique
Surgical Vases &

I am afraid I shall
be obliged to part-
