With reference to the object which you kindly lent to the Historical Medical Museum, as the Museum is to be made a permanent institution in London, I write to know if you would be willing either to present or dispose of it to us. Should you decide to sell please let me know the price you would require. On hearing from you I will give the matter early consideration, and if we cannot acquire it will return it at once.

Thanking you very cordially for your kindness,

I am,
