Dear Sir,

I desire to thank you for your kind letter of the 9th inst. respecting the anatomical figure of St. Bartelomeo. I should have been very pleased to have accepted your arrangement and to have given 475 lire for the figure and the snuff box, but I already have two specimens of the snuff box in wood of the cranologia of Dr. Gall. Therefore without the box I should be willing to give you 450 lire for the anatomical figure.

Trusting you are well,

Faithfully yours,

To Mr. E. Woodthorpe

London

4 March 1914.

Dear Sir,

With reference to the carved wood anatomical figure that you kindly showed me when I called upon you in Milan last week, I find it is different in some respects to the one that we have. If you would be disposed to accept 450 lire for it, I should be pleased to purchase it, but that is the very highest price I can give you for it. On hearing from you of your acceptance, I should be pleased to forward you a draft for that amount.

Yours faithfully,

Sig. Carlo e Cesare Clerici,
Via Giulini, 7,
Milan.
