*Noted*  
~~Mr. C. Thompson~~  
Memorandum

November 14<sup>th</sup> 1900

Dr W. T. Harris

WESTERN ROAD

From

Port Elizabeth

Cape Colony S.A.

To Messrs Burroughs Wellcome & Co  
London.

Dear Sirs

I feel sure I am but one of many to express  
Appreciation of another of your interesting booklets - received.  
"The Evolution of Antiseptic Surgery". It is indeed a worthy follower  
to those on 'Ergot' & 'Anæsthetics', respectively. I have derived  
pleasure & instruction from them all.

Seeing how keen Mr. Henry  
Arkham is on what I may term 'Humanities' - I am enclosing 3 still  
photos which may interest him - as they represent type.

This very small token of thanks for favour received does not need any  
acknowledgment.

With Gratitude I am faithfully Yours  
Walter T. Harris.

H.M.E.

19th December 1910.

Dear Sir,

I desire to thank you very cordially for so kindly sending me the photographs of the Malay mother and child, which are very interesting.

At the same time let me thank you for your kind appreciation of the books we have sent you.

Believe me,

Yours very truly,

H.S.W.
