SNOW HILL BUILDINGS,

LONDON, E.C. 12th April, 1915.

Dear Sir,

I am sending herewith seven old prints which have been submitted to me through one of my representatives on behalf of Mr. George Deacon, Senior Assistant with Mr. A.H. Nash, Chemist, Market Harborough.

My representative saw these prints and thought they might be of interest for the Historical Medical Museum, and he states that Mr. Deacon made the remark that if the prints prove of interest perhaps I could send him some little present in return.

I have not acknowledged these prints to Mr. Deacon, and will now leave you to deal with the matter.

Yours faithfully,  
H.S. Wellcome,
