Dear Sir,

I desire to thank you for sending the touch pieces on approval, but I already have five specimens similar to those you have sent.

With regard to No. 13975 and No. 13977 I should be willing to give you £1. for the two. If this is agreeable to you, kindly let me know and I will forward you a cheque for that amount. I am returning per bearer the other five medals.

Awaiting the favour of your reply,

Dear Sir,

I thought perhaps
you would like to see the
enclosed touch pieces
which are only just entered
into stock.

Curious that the first two
should have been nicked in
precisely the same way. The
marking is without doubt
contemporary.

Yours Resp^d

Medals

Harrow

16 July 1914.

Dear Sir,

Many thanks for the ~~cast~~ of the silver Elizabethan medal which I am very pleased to have. I have pleasure in enclosing you a cheque for 7/6 for the same without delay.

I should be very glad if you could obtain for me a cast or even a galvanoplastic of the other medal of Elizabeth that I spoke to you about, that was struck at the time of the Plague 1574, and which shows a phoenix rising from its ashes on the reverse.

Kindly receipt the enclosed bill and return to me,

Faithfully yours,

C. J.
