Nov. 14

Gentlemen.

It gives me much  
pleasure to recommend  
Mr. F. W. Frost, for the  
post of "assistant to the  
Bacteriologist and  
lecturer on Bacteriology  
at the London Hospital  
Medical College". He  
has a long and varied

experience in the Clinical  
Laboratory at St. Thomas  
Hospital, and has done  
his work well, and has  
shown great aptitude  
for it. He is very keen about  
Clinical investigations and  
possesses qualities which  
are invaluable in a man  
who is ~~doing~~ original work,  
and I believe that he would  
do very valuable work if  
appointed to the London Hospital.

I am gentlemen.

Yours faithfully

Theodore Dyer Acland

London. 190

Gentlemen of the College Board  
Dear Sir

In accordance with  
the rules regulating my  
appointment as Assistant  
Bacteriologist to the London  
Hospital & Medical School  
as I shall have completed  
two years of office on  
the 18<sup>th</sup> of the present month  
I wish to apply for a  
renewal of my appointment

and at the same time.  
I ask that my Salary  
may be raised to  
250 £ per annum.

Trusting you will give  
the matter your  
favourable consideration

Believe me  
Yours sincerely  
J. D. Hook

1, Harley Street,

Camendish Square, W.

1 Aug 1900

Mr J W Swort has done  
valuable work as assistant  
in the Clinical and Bacteriological  
Laboratory at St Thomas's  
Hospital and I have much  
pleasure in recommending for  
the post of Assistant Bacteriologist  
to the Jenner Institute of Preventive  
Medicine. I have known Mr  
Swort during the whole of his  
Students  
career ~~and~~ and can speak in  
high terms of his industry.

trustworthiness, and scientific  
attainments

William Anderson

Surgeon to and Lecturer on Surgery  
at St. Thomas's Hospital, Examiner  
in Surgery at the Royal College  
of Surgeons of England, Professor  
of Anatomy in the Royal Academy  
of Arts - -

S. Thomas's

Hospital.

ALBERT EMBANKMENT,

LONDON, S.E.

11/11/90

Mr. Twort has been my assistant since last Xmas. During this time he has been responsible for a large part of the bacteriological work done, especially for the examination & diagnosis of throat cultures from cases of supposed diphtheria & for Widal reactions. He has also supervised the greater part of the blood counts made during the past year.

I have always found him a keen & industrious worker & very willing to assist me in periodically instructing the newly appointed clerks in the routine work of the laboratory.

Cybeleghmann  
Superintendent of the Clinical  
Laboratory.

The London Hospital Medical College,

MUNRO SCOTT,  
Warden.

Turner St. Mile End.

London, Jan 5 1904  
E.

M<sup>r</sup> F. W. Twort has for the last two years been the principal assistant in the Bacteriological department of this Hospital. He has had practically entire charge of the bacteriological diagnosis of the cases which

amount to over 1000  
per annum. I consider him  
to be an expert bacteriologist  
with a very wide  
experience of practical  
bacteriology and I consider  
that he is well qualified  
to hold a position of  
bacteriologist to a Hospital.

Dear Sir

I wish to apply for  
a studentship for research  
at the Jenner Institute.  
I have held the post of  
Assistant in the Clinical  
& Bacteriological Laboratory  
at St Thomas' Hospital.  
I sent you three testimonials  
when applying for the post of  
Assistant Bacteriologist to the  
Antitoxin department. Should  
you require any further I  
should be pleased to

forward them

Yours truly

J. W. Stoddard
